Services and equipment

1. Unlimited national data* for mobile internet access, 1,000 any network minutes, 1,000 any network texts, and 100 international minutes** are available to all customers that top up by a minimum of €20 (€15 for Clubcard customers that sign up to and maintain monthly recurring top-up via the Tesco Mobile app or contacting our Customer Care team by calling 1903) in one go every 28 days (qualifying top up).*** €20 initial cost (including €20 top-up). Once you exceed plan allowances, out of bundle rates apply. Clubcard must be added at the point of sale and registered and maintained with Tesco Mobile in order to avail of the reduced qualifying top-up.

*Fair usage applies to data roaming within the EU i.e., per 28-day period, unlimited data for use in the Republic of Ireland of which you can use up to 29.56GB while roaming in the EU. Once you exceed the plan allowances, out of bundle rates apply. When roaming in the EU, all standard calls/texts including on-net voice calls/texts are treated as off-net voice calls/texts and decrement your off-net allowance or are charged accordingly.

**Available to call standard mobiles & landlines in the following countries: Australia, Canada, China, France, Germany, India, Italy, Lithuania, New Zealand, Poland, Romania, Spain, United Kingdom and USA when dialled from the Republic of Ireland only.

***The following services are included in your allowance: (i) calls or texts made or sent in Ireland or while roaming in the EU to standard Irish landlines or 08 numbers allocated to Irish mobile network operators; (ii) standard intra-EU calls or text messages made or sent while roaming in the EU; and (iii) calls to 0818 numbers. The following services are not included in your allowance:

(i) calls or texts made or sent in Ireland or while roaming in the EU to: (a) non-standard numbers, non-geographic numbers (other than calls to 0818) and free phone numbers; (b) any number ranges which Tesco Mobile reasonably believes are being used for call forwarding services, onward calling services or numbers that pay a revenue share; (c) premium rate and directory enquiries numbers where special charges apply; and (d) specific numbers or number ranges which we designate from time to time and which are listed on our website; (ii) any chargeable texts you receive; (iii) international calls or texts from Ireland to EU or non-EU countries, or while roaming in the EU to non-EU countries; and (vi) roaming outside the EU.

2. To avail of the Offer, customers must top-up by a minimum of €20 (€15 for Clubcard customers that sign up to and maintain monthly recurring top-up via the Tesco Mobile app or contacting our Customer Care team by calling 1903) in one go every 28 days. When you top-up by €20 (€15 Clubcard) in one transaction, a €20 (€15 Clubcard) charge will be debited from your credit and the Offer will activate. This €20 (€15 Clubcard) charge will apply each time you top-up by €20 (€15 Clubcard) in one transaction. There is no carryover of Offer allowances following any 28-day period. If you top-up again before the end of the initial 28-day term by €20 (€15 Clubcard) in one go, then a new 28-day term starts, and the Offer allowances are re-set. This means you will lose any remaining allowances from the initial top-up as there is no carry over of allowances. If you need to top-up again during your initial 28-day term, it is recommended that you top-up by less than the minimum amount if you want to retain the Offer allowances e.g. €5, €10. This credit will be added to your main account credit. If you fail to complete the minimum top-up before the end of a 28-day term, then you will lose the Offer allowances and will be charged the standard rates for calls & texts and data (see Other Call Charges section within the following www.tescomobile.ie/help-centre/Your-Plan). However, topping up by the required €20 (€15 Clubcard) in one go will again reactivate the Offer.
3. Unused plan allowances cannot be carried forward from one 28-day term to the next. Existing customers transferring from one plan to another will lose any accrued allowances.
4. We will try and provide you with the Services at all times but due to the nature of mobile technology, Tesco Mobile is not in a position to guarantee or offer any minimum service levels. We will at all times use the reasonable skill and care of a competent Service Provider in providing the Services to you in accordance with and subject to our Agreement, but we shall not be responsible for any delay or failure to provide Services for reasons beyond our reasonable control. Service availability is subject to Network availability and certain Services require 3G, 4G, 5G or future technology enabled handsets – see our coverage map at www.tescomobile.ie/our-network/. Some Services (e.g., media messaging) may only work with other compatible handsets and networks.
5. Main account credit has an expiry period of 12 months i.e., you have 12 months to use the credit on out of bundle services. For example, if you top-up by €30 in one go, €20 (€15 Clubcard) of the top-up value is used to activate the Offer, while €10 (€15 Clubcard) is placed in the main account credit. Main account credit is used for out of bundle services such as premium rate services. This main account credit will expire 12 months after the credit is applied to the main account credit following a top-up event.
6. If you leave the Tesco Mobile network by porting your number to another network, you will lose any remaining allowance in your Offer and any remaining credit provided to customers by Tesco Mobile, including but not limited to pre-installed credit, porting credit, promotional credit and goodwill credit, will be forfeited. A prepaid customer is entitled to a refund of any remaining top-up credit paid for by them when they switch to another operator and claim that refund within 3 months of switching. Prepaid credit refunds are subject to a €10 administrative charge. If your Service is suspended or terminated, you will lose any remaining allowance in your Offer.
7. A phone is available for separate purchase. For details of the available phones, see: www.tescomobile.ie/prepay-phones.
